L.A.Q.No.2383/53.

NOTE FOR SUPPLEMENTARIES.

The Government of India have, under the T. agreement, imported various kinds of fertilisers for distribution in the Community Project areas exclusively. This Government have accepted the allotment of 2,044 tons of Ammonium Phosphate, 3,549 tons of Triple Super phosphate, 499 tons of Urea and arranged for despatch of the stocks propo tionately to all the Project areas except Periyar Project. The Clearing and Forwarding agents (Sri Sri Rama Vilas Ltd., Madras) have despatched these fertilisers to the Project areas during November 1952 - March 1953. The original F.O.R., Madras price of these fertilisers fixed by the Government of India was Rs.610/- per ton for Ammonium Phospha Rs.445/- per ton for Triple Super phosphate and Rs.665/- per ton for Urea. The prices have since been reduced by India to an uniform rate of Rs.290 per ton. The retail prices of these fertilisers have recently been fixed on the basis of the above reduced rates and instructions for their distribution have also been issued in the Memo dated 5-6-1 at (T).

The P.E.O., Mangalore has sold 22½ Tons of Urea, 5 Tons of Triple Super phosphate and 12½ Ton of Ammonium phosphate upto 27-6-1953. The cultiva tion season has just commenced in the Project areas and it is expected that there would be appreciable sal of these fertilisers during the current agricultural seaso

NOTE FOR SUPPLEMENTARIES

The Government of India have, under the T.C.A. agreement, imported various kinds of fertilisers for distribution in the Community Project areas exclusively. This Government have accepted the allotment of 2,044 tons of Ammonium Phosphate, 3,549 tons of Triple Super Phosphate, 499 tons of Urea and arranged for despatch of the stocks proportionately to all the Project areas except Periyar Project. The Clearing and Forwarding agents (Sri Sri Rama Vilas Ltd., Madras) have despatched these fertilisers to the Project areas during November 1952 - March 1953. The original F.O.R., Madras price of these fertilisers fixed by the Government of India was Rs.610/- per ton for Ammonium Phosphate, Rs.445/- per ton for Triple Super Phosphate and Rs.665/- per ton for Urea. The prices have since been reduced by India to an uniform rate of Rs.290/- per ton. The retail prices of these fertilisers have recently been fixed on the basis of the above reduced rates and instructions for their distribution have also been issued in the Memorandum dated 5-6-1953 at (T).

The Project Executive Officer, Mangalore has sold 22½ tons of Urea, 5 tons of Triple Super phosphate and 12½ tons of Ammonium Phosphate upto 27-6-1953. The cultivation season has just commenced in the Project areas and it is expected that there would be appreciable sale of these fertilisers during the current agricultural season.

K. SRINIVASAN,
DEPUTY SECRETARY TO GOVERNMENT.
